

What is the Homer Founders Club?

We are both a social and civic organization. Our purpose is to provide the opportunity for men and women to work together for the good of the communities while engaging in civic oriented projects. It allows the members to network with the common interest of having fun and providing for the community. Some of the accomplishments that the Homer Founders Club has been involved with are assisting with the purchase of the Stallions announcers booth, American Cancer Relay for Life walk, Life Source blood drives, purchasing vests and items for our police force and most recently scholarships for our youth.

The Homer Healing Garden will be located directly behind the Founders Crossing Shopping Center on Bell Road.

This project is the first of its kind in Homer Glen.

You may send donations to:
Box 182 - 14007 S Bell Road
Homer Glen, IL 60491

All services for this project are being provided by
Stan's Landscaping

Homer Healing Garden

What is a healing garden?

It is a place where people can walk through, sit or visit and feel the comfort of the natural surroundings.

Researchers are now proving what, in our hearts, all of us already know to be true-plants and gardens are *good* for us. These gardens help reduce pain, improve well-being and speed recovery. They also help the grieving heal and is a place people can experience profound shifts in their physical and spiritual well being.

How can I help?

The healing garden is being funded by donations only.

Engraved brick-pavers are available for purchase. As well as stone benches and a fountain.

Please consider owning a tree, flowerbed, or stone marker. Create a lasting place your family or organization can enjoy forever.

Donations by check or cash are being taken at the Standard Bank at 159th and Wolf Road and Palos Bank on Bell Road.

Want to purchase a tree or plant?
